

Rocky Mount HEAT U12 Challenge Soccer Team, rostered through RMAYSA, pulls talented players from a region of four counties to one of the few professionally coached soccer programs in Eastern North Carolina. Head Coach Tory Lukasina, also the Head Coach for NC Wesleyan women's soccer program, leads the classic team through consistent developmental training to the pursuit of mastery in the game of soccer. From the inception of this team, the Rocky Mount HEAT has been about the triple values of excellence, character and fun. The HEAT Team is currently looking for sponsors to assist this program in maintaining such high standards for the future. Please consider your contribution to excellence for the youth of our area.
